INTRODUCTION

The Board of the Cultural Facilities Corporation (CFC) promotes, and is responsible for good governance of, the CFC.

This Board Charter sets out the framework within which the Board operates, and the Board's role, composition and responsibilities.

The CFC's system of governance is intended to ensure the strategic leadership of the organisation and the effective oversight by the Board of management, in order to:

- ensure the CFC achieves its mission and purpose;
- enhance organisational performance;
- understand and manage risks to minimise negative consequences and maximise opportunities;
- strengthen stakeholder confidence;
- enhance the CFC's public reputation through enhanced transparency and accountability; and
- oversee the way in which the CFC is discharging its legal, stakeholder and ethical obligations.

As a statutory enterprise of the ACT Government, the CFC operates within a strong governance framework established by the government. The key pieces of legislation and government documents are:

- the *Financial Management Act 1996* Part 9, Divisions 9.1 – 9.5 (Governance of Territory Authorities);
- the *Cultural Facilities Corporation Act 1997*;
- the *Public Sector Management Act 1994*;
- the ACT Government Service Code of Conduct; and
- the ACT Government Service Performance Framework.

Strong organisational governance is also guided by a number of CFC plans and statements including long-term Strategic Plans, and annual Corporate Plans and Statements of Intent based on the Strategic Plans.

The CFC's financial and risk management is supported by the work of the Audit Committee of the Board and through the CFC's Strategic Risk Management Plan, Internal Audit Program and Fraud Control Plan.

PART A BOARD RESPONSIBILITIES AND FUNCTIONS

A1. Responsibilities and functions under ACT legislation

A1.1 The conduct of the Board is governed by the *Cultural Facilities Corporation Act 1997* and the *Financial Management Act 1996*.
