CAFE AND RESTAURANT

WELCOME

Welcome to Homestead Café and Restaurant

Set within one of the Canberra region's most significant historic sites, Homestead Café and Restaurant brings together heritage, hospitality and community.

Our menu draws inspiration from traditional country cooking — simple, hearty, seasonal food — reimagined with modern techniques, local produce and a deep respect for the land on which Lanyon Homestead stands.

The café is proudly operated by Embrace Disability Group (EDG), a local social enterprise creating meaningful employment and training opportunities for people living with disabilities.

When you dine with us, you're not just enjoying great food prepared with care and purpose — you're helping build skills, confidence and pathways to open employment within our community.

At EDG we believe our differences are our difference. Thank you for being part of our story, we hope you enjoy your experience.
