

**Canberra Museum and Gallery
Secondary School Photography Prize Parent/Carer Consent Form**

Dear Parent / Guardian,

Canberra Museum and Gallery (CMAG) aims to explore the historical, social, artistic and environmental identity of the Canberra region. In addition to exhibitions, CMAG offers a wide range of innovative education programs for both school groups and the public.

Your child is entering photographic work into the 2026 CMAG Secondary School Art Prize. I am seeking permission to use this work for the promotion of CMAG and its programs. The work may appear in promotional material such as the website, emails, flyers, calendars, social media, YouTube, CMAG and Canberra Theatre Centre screens or other similar materials. The photographs will be archived and may be used in future years.

The photographs may be provided to program sponsors and may be used in their promotional material. This permission note will remain the property of CMAG.

Your child's **first name** and **surname initial**, **school** and **year level** will be published with the photographs, unless you opt out on the second page of this document.

If your child's photographic work features a recognisable image of a person under 18, you must also provide the contact details of that person's parent or carer to grant permission for their likeness to be shown.

If you agree to the above, please complete the permission slip below. If you would like to discuss the matter further, please contact me.

Thank you for your assistance.
