- Turn right off Jerrabomberra Ave onto Narrabundah Lane.
- After 1.1km take the driveway on your right, immediately after *Demeter*, the olive grove.
- The driveway into Mugga-Mugga is signposted. The driveway is almost opposite a bus shelter, just beyond the entry to the *Therapeutic Goods Administration* site.
- Follow this dirt driveway until you reach the first cattle grid and gate.
- There is a wide gate to the right of the cattle grid marked "Trucks". The **bus must use this gate**. Please close the gate once the bus has passed through in order to contain the livestock.

Parking arrangements at Mugga-Mugga: Please follow the road to the Education Centre and stop the bus before the cattle grid. When your students disembark please ensure that they do not walk across the cattle grid, but rather walk through the small gate on the left hand side.

Parking arrangements at Calthorpes' House: Students should disembark at the front of Calthorpes' House. There will be witches' hats placed on the Mugga Way roadside to indicate to the driver where to stop. Please do not drive up onto the curb as the irrigation system will get damaged. The bus will not be able to remain parked on Mugga Way. Parking is available on nearby Torrens, Wickham or Vancouver Streets.
